

# All-New Nissan Livina: Making Everyday More Exciting for Everyone

When searching for a 7-seater family MPV, we all want an all-around vehicle that can fit everything we need but still looks and feels fun to drive. The All-New Nissan Livina is just that.

**An exterior that exudes elegance.** Starting at the front, the All-New Livina is designed with sleek lines that complement Nissan's signature V-motion grille and halogen headlights with LED DRLs. As we move towards the back, its blacked-out pillars make it seem that the roof floats over the rest of the vehicle. And when paired with 16" machine-finished alloy wheels and a rear combination lamp with signature LEDs, the crowd can't help but stare at this fine Japanese vehicle.

**Where space meets versatility.**

The All-New Nissan Livina can comfortably fit a family of seven with plenty of room to spare for luggage, thanks to its spacious cabin and multiple storage compartments. Hauling long and large gear? The Livina's second-row seats are built with a fold-flat function, while third-row seats can be split 50:50 to accommodate bigger luggage. It's also loaded with user-friendly tech such as 7" touchscreen display audio for seamless connectivity and Intelligent Key System for easy vehicle access without the need to take the key out of your bag. And to ensure comfort no matter where you're seated, the Livina is equipped with Nissan's cool front and rear air-conditioners.

suite of Nissan Intelligent Mobility drive-assist technologies. To name a few, these features include Hill Start Assist, Vehicle Dynamic Control, Traction Control System, and Anti-lock Brake System. This multi-purpose vehicle (MPV) also comes with a rear view camera and parking sensors for added convenience when backing up your vehicle. And to help keep the whole family safe, the ISOFIX system and SRS Airbags come standard with every All-New Nissan Livina.

**A pleasure to drive and be driven in.** The Livina is built with a firm yet comfortable suspension that's paired with high ground clearance and a long wheelbase. Apart from this, its capable 105 PS engine can provide up to 141 Nm of torque, enabling you to go on exciting drives with the family everyday.

**Remarkable comfort at a reasonable price.** The All-New Nissan Livina starts at PHP 1,029,000 for the base E MT model, while its top-of-the-line VL AT variant can be yours for PHP 1,209,000. To sweeten the deal, the VL AT variant only requires twice-a-year maintenance and has a class-leading 5-year warranty, giving you peace of mind.
