### Message from the President of the Philippines

My warmest greetings to all officials, employees, and members of the Pag-IBIG Fund as you celebrate your 42nd Anniversary.

Since its launch, the Pag-IBIG Fund has constantly exhibited a complete and unyielding commitment to providing Filipino workers with the opportunity to save from their earnings and acquire a home they can call their own. Because of you, many in the past four decades received the security they needed to pursue their aspirations for themselves and their loved ones.

I commend your efforts to effectively manage the savings under your care to ensure the Pag-IBIG Fund stands ready to offer housing, multi-purpose, and calamity loans to your members. With the ease that technology now brings and the wisdom you have gained from all your experiences, I trust that you will further strengthen your resolve to enhance your systems so that our people may fully benefit from your services.

May this occasion inspire you to work even harder in advancing the welfare of our citizens, especially those who search for succor and hope. May you also remain a reliable partner as we strive for a better life and future for every Filipino.

Congratulations and may you have a meaningful celebration.

**Ferdinand R. Marcos, Jr.**  
President of the Philippines
