

MESSAGE

My warmest greetings to the Bankers Institute of the Philippines (BAIPHIL) on your 32nd Biennial Convention.

This year’s theme, “BAIPHIL: Bringing Out the Best in Banking” is highly relevant and timely. As the financial industry continues to face unprecedented disruptions alongside longer-term challenges, it is imperative for banks to strengthen their institutional capability. As the banking industry’s premier training provider, BAIIPHIL is uniquely positioned to equip banks to better respond to these challenges and contribute to the country’s objectives of balanced and sustainable growth.

The Bangko Sentral ng Pilipinas (BSP) commends the continuing efforts of the BAIIPHIL in strengthening resilience of the banking community by providing capacity development through continuing education, information sharing and research. The BSP will continue to foster a conducive regulatory environment to maintain the stability, and inclusivity of the banking system. We look forward to working together and making great strides in readying a future-ready banking workforce.

We wish BAIIPHIL another successful and fruitful year. *Mabuhay ang* BAIIPHIL!

FELIPE M. MEDALLA
