

JAPI, Newport World Resorts guarantee a New Year countdown to remember with grand raffle of 2 JETOUR SUVs to cap off star-studded night

Come Dec. 31, 2024, all roads will lead to the Marriott Grand Ballroom of Newport World Resorts in Pasay City for “The Grand Countdown to 2025,” Newport World Resorts’ awe-inspiring way of bidding farewell to 2024 and welcoming in 2025 with a “Vroom!” and a bang!

From 7:30 p.m. onwards, the Marriott Grand Ballroom will be abuzz with world-class celebrities such as power diva Angeline Quinto, multi-awarded singer Jed Madela, rock icon Bamboo, and super girl group BINI showcasing their talents as they perform their biggest hits.

JETOUR Auto Philippines, Inc. (JAPI), the official event partner of Newport World Resorts for this memorable night, will cap this thrilling countdown with a grand raffle of not just one, but two JETOUR vehicles for the two lucky audience members to ride the new year on a high: A JETOUR Dashing compact crossover SUV, and a JETOUR T2 4x4 SUV.

The JETOUR Dashing SUV, as one of the pioneering vehicles when the brand began its operations in the Philippines in March 2023, is one of JAPI’s best-selling models to date. The JETOUR Dashing, with its ultra-modern design, high-tech features, luxurious interior amenities, and powerful yet efficient 1.5-liter turbocharged gasoline engine, has been the unanimous choice of young, passionate, and upwardly mobile individuals who maintain active lifestyles and seek only the best for their growing families.

The JETOUR T2, on the other hand, has been dubbed as “not your ordinary SUV,” and one look alone tells you why. The exterior touches give the T2 the ideal physique of an SUV that’s ready to play, and play hard, in any urban and outdoor setting, as it combines rugged capability with refined aesthetics. The T2’s 2.0-liter Kunpeng TGD1 gasoline-powered engine mated to the Magna 7DCT 3rd-generation wet dual-clutch transmission with intelligent execution

system generates up to 254 horsepower and up to 390 Nm of torque. Managing the 4-wheel-drive system is the XWD Intelligent 4WD.

The JETOUR T2 available in the Beyond, Terrain, and most recently, in the Terminator variants.

Making it easier for more Filipinos to own their own Dashing and T2

SUVs, JAPI has maintained the following easy-to-own plans:

- For the X50 Sport (SRP P1,088,000) — All-in low down payment program P58,000
- For the X70 Journey (SRP P1,099,000) — All-in low down payment program P28,000

- For the X70 Travel (SRP P1,259,000) — All-in low down payment program P38,000
- For the X70 Sport (SRP P1,299,000) — All-in low down payment program P38,000
- For the X70 Plus (SRP P1,499,000) — All-in low down payment program P48,000

- For the Dashing (SRP P1,373,000) — All-in low down payment program, P38,000
- For the Dashing Symphony (SRP P1,523,000) — All-in low down payment program P48,000

For the lucky two winners at “The Grand Countdown to 2025,” however, all they need to do is be part of this exciting night at the Marriott Grand Ballroom for them to have that chance to own their very own JETOUR Dashing or T2. So, book your tickets now for those much-coveted limited slots!

As part of JAPI’s ongoing partnership with Newport World Resorts, the latest JETOUR models are also currently on display at strategic locations of the NWR complex. Visitors and guests of Newport World Resorts now have the chance to get an up-close look at JETOUR’s stunning models and learn about the new ways that JETOUR can open up new possibilities and opportunities in their mobility futures.

JETOUR Auto Philippines, Inc. is the sole and official distributor of JETOUR vehicles and services in the country. JAPI sells the seven-seater JETOUR X70 variants in Journey, Travel, and Sport, Plus, the JETOUR Dashing, Dashing Symphony, the JETOUR X50, the JETOUR Ice Cream Battery Electric Vehicle, and the 4X4 SUV JETOUR T2 and JETOUR T2 Terminator.
